Newtown, PA—The Newtown Theatre & The Newtown Exchange Club are announcing the second annual Boldly Bluegrass concert, held at the historic Newtown Theatre. Back by popular demand after two sold out performances last year, one day only on Sunday April 26th at 2:30 and 7:30 PM. Featured artists are Bluegrass Brothers, and Danny Paisley and the Southern Grass. Tickets are available by calling 800-838-3006 or online at www.boldlybluegrass.com.

The Bluegrass Brothers are a high energy bluegrass band, raised in bluegrass music families in Virginia. Brothers Robert, on banjo, and Victor Dowdy, on bass, have made many musical accomplishments over numerous years. Carrying on the family tradition, they perform with Victor's two sons, Donald and Steve Dowdy. The Bluegrass Brothers are one of the finest bluegrass shows in the country. They perform from coast to coast and in a most soulful, heartfelt manner.

Danny Paisley and the Southern Grass play powerful, unadorned, and intense traditional bluegrass. There is no hybrid or genre-bending music here. It is music born of the vibrant old time Southern fiddle bands, as well as the lonesome moans of the backwoods mountain blues, music squarely in the classic bluegrass tradition. Danny Paisley and the Southern Grass combine those forces with a drive and energy that takes over your senses.

“This is one of the top events in the past twenty years in terms of positive customer response,” says Eric Silverman, theatre general manager. “We look forward to having it as an annual event.”

The Newtown Exchange Club is a national service organization for men and women who serve their community, develop leadership skills, and enjoy new friendships. The Exchange Club of Newtown is about giving back a little of themselves to the community, in the belief that hope for tomorrow happens today.

Half of the proceeds from the ticket sales of this concert will be applied to the continuing restoration of the community owned Newtown Theatre.
